DETAILED ACTION

Allowable Subject Matter

Claims 1 – 22, 25 - 28, 32 and 33 are allowed.

The following is an examiner's statement of reasons for allowance:

With respect to claim 1 and 10, the prior art does not teach or render obvious the total combination as claimed including a shaft coupling device which couples a first shaft and a second shaft together comprising a grip force acting unit and the grip unit can be screwably engaged with each other such that a tightening of the screwable engagement causes the plurality of the grip portions to move radially towards the second shaft.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
